

Course Details - CPC20220 Certificate II in Construction Pathways - Heathfield High School

AHSPs Title	Construction Pathways		
Qualification	CPC20220 Certificate II in Construction Pathways		
RTO	Adelaide Training & Employment Centre (National Code 0022)		
Host Organisation	Heathfield High School		
Course Length	To be confirmed		
Course Description	The Construction Pathways full year program is a highly practical one which is supported by theory and is designed for students wishing to explore a career in the building and construction industry. The focus is on providing hands on practical experience in the trade areas of carpentry, concreting, tiling, painting and decorating, joinery, plastering, plaster board fixing/flushing, bricklaying and demolition. Students complete competencies from the Construction Training package. Students will complete their National White Card training which is the regulatory authority requirement before entry to a work site is permitted. High standards of safe work practices are expected and enforced throughout the course. All students are required to organise and participate in Structured Workplace Learning in industry settings.		
Pathways	This course leads to Certificate III courses in a range of different trade areas as well as possibilities in School Based Apprenticeships and full-time Apprenticeships.		
Entry Requirements	Genuine interest in the Construction Industry and sound literacy and numeracy skills. Pre-course requirement for VGSS funded students is White-Card completion prior to course commencement – CPCCWHS1001 Prepare to work safely in the construction industry (\$125 per head). A Term 3 2023 date for White-Card completion TBA.		
Other Requirements	Students must supply their own steel capped boots, 8m quality tape measure and a box of quality disposable dust masks. The tape measure and box of dust masks must be labelled with the student's name. Other personal protective clothing and equipment will be supplied by the course and will include safety glasses, a shirt, riggers gloves and ear muffs. Shirts are to be worn and visible at all times while on site.		
Delivery Location(s)	Trade Training Centre , Heathfield High School, 99 Longwood Road, Heathfield, SA, 5153 none		
Dates and Times	38 weekly sessions at Trade Training Centre on Thursdays from 08:45 until 15:15. Commencement date 08 Feb 24. 38 weekly sessions at Trade Training Centre on Mondays from 08:45 until 15:15. Commencement date 05 Feb 24. none		
Work Placement	10 days Students and their families are responsible for organising 70 hours of Structured Workplace Learning (SWL) in the construction industry. The 70 hours of SWL must be completed by the end of the Term 3 holidays.
