

# Course Details - CPC20211 Certificate II in Construction Pathways (Heathfield High School)

AHSPs Title	Construction Pathways																										
Qualification	CPC20211 Certificate II in Construction Pathways																										
RTO	Adelaide Training & Employment Centre (National Code 0022)																										
Host Organisation	Heathfield High School																										
Course Length	2 semesters (1 year)																										
Course Description	The Construction Pathways full year program is a highly practical one which is supported by theory and is designed for students wishing to explore a career in the building and construction industry. The focus is on providing hands on practical experience in the trade areas of carpentry, concreting, tiling, painting and decorating, joinery, plastering, plaster board fixing/flushing, bricklaying and demolition. Students complete competencies from the Construction Training package. Students will complete their National White Card training which is the regulatory authority requirement before entry to a work site is permitted. High standards of safe work practices are expected and enforced throughout the course. All students are required to organise and participate in Structured Workplace Learning in industry settings.																										
Pathways	This course leads to Certificate III courses in a range of different trade areas as well as possibilities in School Based Apprenticeships and full-time Apprenticeships.																										
Entry Requirements	Genuine interest in the Construction Industry and sound literacy and numeracy skills. Pre-course requirement for TGSS funded students is White-Card completion prior to course commencement (\$100 per head). A Term 3 2020 date for White-Card completion TBA.																										
Other Requirements	Students must supply their own steel capped boots, 8m quality tape measure and a box of quality disposable dust masks. The tape measure and box of dust masks must be labelled with the student's name. Other personal protective clothing and equipment will be supplied by the course and will include safety glasses, a shirt, riggers gloves and ear muffs. Shirts are to be worn and visible at all times while on site.																										
Delivery Location(s)	Building & Construction Centre, Heathfield High School, 99 Longwood Road, Heathfield, SA, 5153 Building & Construction Centre, Heathfield High School, 99 Longwood Road, Heathfield, SA 5153																										
Dates and Times	40 weekly sessions at Building & Construction Centre on Wednesdays from 08:45 until 15:15. Commencement date 27/01/21.																										
Work Placement	0 days Students and their families are responsible for organising 70 hours of Structured Workplace Learning (SWL) in the construction industry. The 70 hours of SWL must be completed by the end of the Term 3 holidays.																										
SACE Details	SACE Stage 1, 50 SACE credits
